

Come to Ireland

The Fishing is Brilliant

Just when everyone thought the Irish Angling Roadshow's were gone forever – up pops this brand new idea.

You are invited to join us for a **hot-pot supper** plus a chance to meet and chat with leading representatives of Ireland's angling travel trade – hoteliers, pub owners, B&Bs and self-catering houses – and local angling experts.

You will be our guest so there are no charges!

And you might win a holiday for two! You will receive a complimentary ticket to be drawn during the evening – a prize that will whisk you off to one of Ireland's top angling centres. Our prize holiday includes the car ferry and five nights bed and full breakfast in an ensuite room.
